

Serial No. 10/733,770  
Amendment dated April 20, 2007  
In Reply of Office Action dated October 20, 2006

Amendments to the Specification:

Please replace the paragraph beginning "Particularly, a heating device 22 ..." on page 14, lines 11-13, with the following amended paragraph:

Particularly, as shown in Figs. 3 and 4, right before the  
~~a heating device 22 is positioned right before an~~ outlet of an  
extruding device 20, a heating device 22 is positioned, and an  
extruded product is transferred to the heating device 22 and  
rapidly hardened by the heating device 22, and so the product  
is rapidly produced.
